The Never Ending Story for the Hoosier Gym

By: Vickie Rhodes

You just never know what impact you will leave on someone as they travel through this lifetime. Nothing is more evident or represents this story more than the recent memorial gift left to the Knightstown Hoosier Gym Endowment at the Henry County Community Foundation.

The story begins with Clayton and Annabel Graham raising three sons in the Knightstown community. Wallace, a graduate of Knightstown in the Class of 1946;

Jack in the Class of 1947; and Sherman Graham, who passed before graduation.

The real story continues as we meet Mary Josephine Henderson, a graduate of Carthage High School, who meets Jack L. Graham and they are married. Mary was a registered nurse and later a real estate agent. Mary and Jack Graham never forgot their roots. Even after moving to Sun City, Arizona in 1990 they continued to remember where they came from. Their mindset was always to give back, to remember the places and things that impacted their early years.

After Jack's death in 2004, Mary moved back to Indiana, where she lived out her remaining years. In July of 2017 Mary passed away, which leads us to the emphasis to our story.

On behalf of the Mary J. Graham Estate, the Henry County Community Foundation received a bequest to be designated for the Hoosier Gym Community Center Endowment Fund; a gift that will benefit the Hoosier Gym annually and continue giving forever. Realizing this story will never end is the most wonderful gift of all. The Graham's were passionate about giving back and about making sure they provided for the things that meant the most to them.

The Hoosier Gym must be doing something right, because they made an impact on the Graham's. This isn't the end of the story... it's just the beginning.

Community Scholarship Recipient

Thomas Witham, a New Castle High School senior, is the 2018 recipient of the Henry County Community Foundation Lilly Endowment Community Scholarship. In addition to full tuition at any Indiana college, Witham will receive an annual \$900 stipend for books and other required equipment.

"I can't begin to thank all of my family, friends, teachers, counselors, administrators, and coaches for helping me accomplish my goals. I wouldn't have been able to receive this honor without their support. It is impossible to say how thankful I am that I was able to grow up in a community that is always there to support me. I plan on attending Franklin College in Franklin, Indiana to study Mathematics and to play football. Thanks to everybody at the Lilly Endowment and the Henry County Community Foundation for giving me this opportunity!" said Witham.

Thomas is the son of Bob and Elizabeth Witham. He has been a football player at New Castle for 4 years, throws shot and discus on the track and field team, and is captain of both teams. He is a member of the high school band, participating in concert, pep band, and the indoor percussion ensemble. He has been a member of National Honor Society, serving as the group's 2017 President. Thomas has served on T.A.S.C. (Teens About Serving the County) Youth Grants Committee since 8th grade, stepping into a leadership role this year as Vice-Chair. He also serves New Castle High School as part of Athletic Council, PEER Group, and Renaissance, a student group that recognizes other students, faculty and staff for their accomplishments at New Castle.
