Women's Circle of Friends Grant

The Women's Circle of Friends is a giving circle, which enables everyday people to be involved in creating a better Henry County. We do this by combining donations and knowledge to provide impactful grants. Women wishing to be part of the Circle of Friends must make a minimum donation of \$50 to the Circle of Friends Fund. Members will be invited to the Women's Grantmaking Gala where, as a group, they will vote on a non-profit to receive the pooled donations.

Sunnyside Teacher, Angela Miller, Recognized for Excellence

Angela Miller, first grade teacher at New Castle's Sunnyside Elementary, is the recipient of the 2018 Teacher Excellence Award. Mrs. Miller was awarded a certificate of recognition and award on May 25, 2018 from the Henry County Community Foundation.

The Teacher Excellence Award is the highest honor the Foundation can bestow on an

individual in education. The honor is designed to recognize teachers who have demonstrated an outstanding commitment to inspire students to reach for difficult and lofty goals. Persons to be recognized have earned the respect of students, parents and peers through sustained effort, high moral standards and the likelihood of enduring beneficial effects on the students with which they have worked.

Mrs. Miller's nominator spoke highly of her commitment to the students in her classroom, writing about how she makes the material come alive for the students in her class when they enter the room each day. "She uses stories and books to make ideas and concepts become meaningful to her students. They are drawn in by the way she reads a story or explains an idea, so that they make a real connection – and that's when the learning takes place."

Mrs. Miller is a teacher who appreciates students for who they are: "Her classroom is a place of inclusion for everyone. By her own example, students in her class become accepting, kind, and understanding of each other. She is a role model of exemplary character and her students see it every day." Along with this, "Because she cares about every student, the message is understood by her students that first grade is a safe place and free of ridicule. Her classroom is a place where students feel free to take risks as they learn."

Any current, full-time educator of a public school within Henry County was eligible for nomination and the winner was selected by judges outside the county. This award is sponsored by an endowment at the Foundation.

"We have many outstanding educators in Henry County and we are honored that donors in our community want to recognize these teachers and let them know how much we appreciate their great work," said Beverly Matthews, President of the Foundation.
