The Henry County Community Foundation awards over \$111,000 in Community Grants

The Henry County Community Foundation (HCCF) board of directors awarded \$111,741 to 18 organizations serving Henry County residents on October 3, 2018. The purpose of these grants is to assist local nonprofits to promote and support social services, arts and culture, health and recreation, civic affairs, and the educational needs of Henry County residents.

The grants were made out of the Choose Henry Fund, formerly the Unrestricted Fund for Community Grants, which was established by generous donors across Henry County to help address local needs and enhance our community, and every dollar donated to the Choose Henry Fund makes a difference. Foundation Announces Grant Winners from Women’s Gala

The Henry County Community Foundation is excited to announce the winning organizations from the sixth annual **Women’s Circle of Friends Gala**, held at the Gathering in Lewisville. This year’s three non-profit finalists were Believe and Achieve Mentoring,

Hillcroft Services, Inc., and the Youth Opportunity Center’s Tru Harbor. At the gala, members participated in an evening of philanthropy, fun, a cocktail buffet, and voted on

a nonprofit organization to receive the pooled donations that would help strengthen Henry County.

The three finalists gave short presentations about their organizations, with attendees voting after the presentations. Members of the Women's Circle chose Believe and Achieve Mentoring (B.A.M.), formerly Big Brothers Big Sisters, as the winner after Executive Director Ashley Huffman spoke about the program's goals in the community. B.A.M. received a grant of \$7,000. The other finalists received grants for \$250.

The Women's Circle of Friends committee chose to award a grant from the Women's Circle of Friends for Women Endowment Fund for \$988 to ICAP Women's Clinic, with Nancy Lewis speaking on the clinic's work to provide support for women's health in the county.
