### September 19--Mastering the Group Meeting

Meetings can be a vehicle for change or a burial ground for new ideas. Join us to explore why meetings fail and to explore the fundamental elements of successful meetings. We will discuss how to set an agenda, how to keep people on topic (but still feel heard), how to prioritize items, and how to commit the group to action.

### September 26--Mastering the One on One Meeting

Regular one on one meetings with team members provide rich opportunities to understanding that team member's challenges and successes. When used effectively, the "one on one" facilitates opportunities for the supervisor and team members to review present priorities, discuss expectations, better understand each other, and ultimately build trust. This session will describe what a "one on one" is, explain why it is useful, and provide a method of effectively implementing it with your team.

## \$300,000 Boost

Matching Funds to Inspire Citizens to Support Henry County Expo Center

A major financial boost has been delivered to local efforts to build the Henry County Expo Center at Memorial Park.

The Henry County Community Foundation, Inc. announced today that it is offering a \$300,000 matching grant for the Henry County Expo Center Initiative at Memorial Park. The Foundation's board of directors voted to provide a \$1 match for every \$1 donated to the Henry County Expo Center project up to \$300,000 for all donations of \$10,000 or less.

According to HCCF Chairman, Mark Taylor, "The board wants to encourage public participation in this community project that has the possibility to transform our quality of place and the people who live here. Everyone can be part of this initiative, knowing that their donation of any amount up to \$10,000 will be immediately matched. Please make all donations directly to the Henry County Expo Center, PO Box 137, New Castle, IN 47362 to receive the match."

Beverly Matthews, HCCF president and executive director, explained, "Besides serving as funders, community foundations act as conveners of diverse partnerships and catalysts of social change. This is a great opportunity for everyone to get involved in supporting our community and double their impact."

Community Foundations are nonprofit organizations that may accept and pool charitable contributions from a variety of sources, invest these resources, and use the proceeds to support charitable activities and organizations. HCCF's unrestricted fund, the *Choose Henry Flex Fund*, is the easiest and most flexible way to provide for the most pressing needs or opportunities for development in our community, *forever*.

Donations to the Henry County Expo Center are tax deductible and can be made to P.O. Box 137, New Castle, IN 47362. For more information about the Expo Center, contact Wayne Jester, Board President at [wjester@henrycountyexpocenter.com](mailto:wjester@henrycountyexpocenter.com)
